Tekst:

Yes, we are going out tonight
We're ain't gonna tell nobody where
Gonna forget about the party lights
Just me and you lovin' there
I'm gonna talk sweet talk
and tell you that you're mine
at a place nobody can find.
All we are burning is candlelight
and if you get cold I'll just squeeze you tight
We'll be together day before day
It takes so long to overcome your lovin' way
I'm gonna talk sweet talk
and tell you that you're mine
at a place nobody can find.

We don't need no company
Ev'rywhere we go, yeah
All your loving need a secret home
We're making love, love, yeah
I'm making love, love, yeah
and that's why
We're going out tonight
Ain't gonna tell nobody where
I'm gonna talk sweet talk
And tell you that you're mine
At a place nobody can find.
I'm gonna squeeze you
I'm gonna tease you
At a place nobody can find.
