

Cloud Nine

Skrevet af Norman Whitfield og Barrett Strong, produceret af Norman Whitfield 1968. R&B #2, pop #6.

1. vers (Dennis:)

A-ostinat Childhood part of my life, it wasn't very pretty, you see
I was born and raised in the slums of the city
It was a one room shack that slept ten other children beside me
We hardly had enough food or room to sleep
It was hard times, needed something to ease my troubled mind

2. vers (Paul:)

A-ostinat Listen, my father didn't know the meaning of work
He disrespected mama and treated us like dirt
I left home, seeking a job that I never did find
Depressed and downhearted I took to Cloud Nine
I'm doing fine up here on Cloud Nine
Listen one more time, I'm doing fine up here on Cloud Nine

3. vers (Dennis:)

B-ostinat Folks down there tell me
They say: Give yourself a chance son, don't let life pass you by
But the world of reality is a rat race where only the strongest survive
It's a dog eat dog world and that ain't no lie
Listen, it ain't even safe no more to walk the streets at night
I'm doing fine on Cloud Nine, let me tell you about Cloud Nine
